FOKRE APP PAYMENT RULES:

Hosts will get fixed payments only on completed the weekly targeted hours, posts, and achieved the targeted followers. If the host hasn't completed the targeted hours or posts, and haven't achieved the targeted followers, hosts will get paid only on the host's diamonds.

If broadcasters do not comply with local regulatory requirements, this will be their own responsibility and not the agency or Fokre responsibility.

Join the Fokre Partner Program and become an Agent

Fokre partners help streamers reach their highest potential by coaching them and setting up events on their behalf. In return, the Fokre Agents receive 20% of all their streamers' earnings and 5% earning from sub agency.

For someone who has an agency with multiple streamers, this can mean thousands of dollars in passive income!

Of course, being an agent doesn't mean you just get to sit back and do nothing. Streamers are going to expect you to help them out and promote them so that they get more viewers, fans, and all-important gifters. Make

sure that you're looking out for and taking care of your streamers. The more you do, the more they'll look out for you as well!

Earn Passive Income by Referring Friends

Inviting friends is a simple and fun way to earn more and have more fun while on Fokre!

Every time you send out your referral link on Fokre, and someone uses it to download the app, you'll get 10% of their earnings! To be clear, we're not taking money from your friend. Your friend still keeps 100% of what they make – you just get an additional 10% from Fokre as well!

Sound too good to be true? It's not!

It's not only way to make a fantastic passive income and another reason to support a friend, but it also makes Fokre more fun for you. Now you have a friend that you can go live with, do battles with, and enjoy succeeding together with.
